

**COLLEGE OF PHYSICIANS & SURGEONS
AID TYPE REQUEST FORM**

2017-18

GUIDELINES TO DETERMINE WHAT FINANCIAL INFORMATION MUST BE COMPLETED

Please indicate which category of financial aid you are requesting:

I AM an International student and do not have to complete the FAFSA but I will instead **complete the CSS Profile Application**, and the **Certification of Finances Form**.

I AM SEEKING ONLY external loans such as the Federal Direct Unsubsidized Stafford, Federal Direct Graduate PLUS, private/alternative loans **and/or Federal Work-Study** (pending funding for this program):

- **complete the FAFSA**, student sections only. If you are **married**, your spouse's financial information is required.

I AM SEEKING P&S GRANT/SCHOLARSHIP AND CU LOAN ASSISTANCE (a.k.a. "institutional funds") **AS WELL AS EXTERNAL LOANS:**

- **complete the FAFSA** (providing parental financial information as well as your own and your spouse's), and the **student/spouse and parent sections of the CSS Profile application**.
- **IF YOUR PARENTS ARE DIVORCED OR SEPARATED**, information is required from *both* of your parents (custodial parent and non-custodial parent) and their current spouse(s).
- **IF YOU ARE MARRIED or INTEND TO MARRY DURING THE ACADEMIC YEAR**, your spouse's (or prospective spouse's) financial information is required.

We require **signed and dated** copies of 2015 tax forms, **W-2 forms and all supporting schedules and statements** for all persons supplying information on the FAFSA and the CSS Profile application (student, spouse, parents). You will submit them via the CSS IDOC Services. International students should also submit foreign tax returns via IDOC.

We will assume if **you do not complete a CSS Profile application**, you wish consideration only for Federal Work-Study funds, or external loans such as Federal Direct Unsubsidized Stafford, Federal Direct Graduate PLUS, or private loans.

Signature: _____ Date: _____

Print Name: _____ Class of: _____

CU ID or UNI: _____

(Newly admitted students can write their AMCAS # if they do not have the above)
